

From your dreams to real life adjectives

Did you know that you can do anything you want.
Travel to a magic place
At a rockets pace
Like astronauts in outer space.

You can do anything You can be anything You can do anything You can be anything

You can do anything
You can be anything
You can do anything your heart desires

Dream on just a little bit bigger now Anything, (anything) anything (anything) You can be Anything, (anything) anything (anything)

No stopping you
Cause you can do
Anything
It's all up to you
No limits now
Cause you can do
Anything

No stopping you
Cause you can do
Anything
It's all up to you
No limits now
Cause you can do
Anything
