

Dream On

Senses that surround me
Feel so real and free
Knowing that enlightenment, flows so endlessly,
Always know there'll be a way
Fulfilment of our needs
Nothing greater than the knowledge of pure harmony.

Ohh! Oh, dream on!
Oh, dream on!
Oh, dream on!

Silence brings the moment of some clarity
Times to remain focused
For serenity
Not much more can satisfy than souls in unity
A little guidance on the way
I'm sure that you will see

Ohh! Oh, dream on!
Oh, dream on!
Oh, dream on!
Dream on
