

Live Lesson: Activity 2 - Balloon-powered cars

In the Live Lesson, we'll be exploring balloon-powered cars and the forces that influence their speed. Can you fill in the blanks below with your **investigation** and your **prediction**?

Send us your answers and they could be featured on our Live Lesson on the 19th of June.

Simply ask your teacher to email them to live.lessons@bbc.co.uk or use the hashtag **#bbclivelessons**.
