

Live Lesson EXTRA: Activity 2 - Lubrication and friction

Can you identify whether lubrication would be helpful or not helpful in the following situations?

Circle or underline your answers and discuss this with your class and teacher.

<p>1 Walking along a path</p>	<p>2 Sliding down a slide</p>		
			
<p>helpful</p>	<p>not helpful</p>	<p>helpful</p>	<p>not helpful</p>
<p>3 Rubbing sticks to create a fire</p>	<p>4 Gears turning in a machine</p>		
			
<p>helpful</p>	<p>not helpful</p>	<p>helpful</p>	<p>not helpful</p>
<p>5 Pushing a heavy object</p>			
			
<p>helpful</p>		<p>not helpful</p>
