

## Activity Sheet 2: Adaptation

Draw a line from the animal to its seasonal adaptation. You may need to draw more than one line as some animals have multiple adaptations.

**migration**

*the movement of animals usually over a long distance*

**hibernation**

*a long deep sleep or period of inactivity*

**extra fur**

*thicker or extra fur to keep warm in winter*

**camouflage**

*growth of snow-white hair to match snow-covered land*

**food**

*storage of food for winter or change of diet*
