

## Activity 1: Media Industry

We're going to show you some shots of a performer rehearsing and as the director we need you to tell us what isn't quite right. Using the options below, identify what the problem is and whose responsibility it is to fix it?

Circle the correct answer:

### Shot 1:

1. The camera is out of focus
2. The shot is badly framed
3. The camera is not level

Person/department responsible:

---

### Shot 2:

1. Lighting too bright
2. Incorrect white balance (colour temperature)
3. Lighting too dark

Person/department responsible:

---

### Shot 3:

1. There are commercial logos in shot
2. Copyright clearance has not been obtained for a picture
3. The language is not age appropriate for the audience

Person/department responsible:

---

For each of the shots above, choose the person/department who is responsible for fixing the problem – you may choose more than one:

**Lighting Designer**

**Camera Operator**

**Sound Supervisor**

**Director**

**Producer**

**Set Designer**

**Production Manager**

**Audio Assistant**

**Floor Manager**
