BBC Radio 1 Remit:

“Radio 1 is to entertain and engage a broad range of young listeners with a distinctive mix of contemporary music and speech. Its target audience is 15-29 year olds and it should also provide some programming for younger teenagers. It should offer a range of new music, support emerging artists - especially those from the UK - and provide a platform for live music. News, documentaries and advice campaigns should cover areas of relevance to young adults.” (BBC Commissioning)
