PRESENTER: Now we're going to have a game of 'sound snap'! Listen carefully to these animal sounds. When you hear the same animal sound twice in a row, be ready to call out 'snap'. Here we go:

FX: SHEEP / DOG / CAT / PIG / HORSE / HORSE

PRESENTER: It was a horse – we heard a horse twice in a row. Let's try that again. When you hear the same animal sound twice in a row, be ready to call out 'snap!'

FX: DOG / PIG / HORSE / CAT / PIG / LION / LION

**PRESENTER:** It was a lion – we heard a lion twice in a row. Let's try that once more. When you hear the same animal sound twice in a row, be ready to call out 'snap!'

FX: CAT / HORSE / LION / ELEPHANT / DOG / PIG / DOG / DOG

**PRESENTER:** It was a dog – we heard a dog twice in a row. Now listen to these animal sounds very carefully. Can you say which sounds make a pair because they belong together?

FX: DOG PANTING

FX: CAT MIAOWING

FX: DOG BARKING

FX: CAT PURRING

**CHILDREN:** The dog panting...goes with the dog barking. SNAP! And the cat saying miaow...goes with the cat purring. SNAP!

**PRESENTER:** Listen carefully to these sounds. Can you say which sounds make a pair because they belong together?

FX: TRAIN HOOTER

FX: TRAIN ON TRACK

FX: CAR ENGINE

FX: CAR HORN

**CHILDREN:** The train hooter...goes with the wheels on the track. Snap! And the car engine...goes with the sound of the car horn. Snap!
