

Busy Farmer Ben

(To the tune of 'The Grand Old Duke of York')

"Oh, I have the field to plough!"
Said busy farmer Ben,
So he drove his tractor up the field
And he drove it down again.
And when he was up he was up
And when he was down he was down
And when he was only half way up
He was neither up nor down.

"Oh, I have some seeds to sow!"
Said busy Farmer Ben,
So he drove his tractor up the field
And he drove it down again.
And when he was up he was up
And when he was down he was down
And when he was only half way up
He was neither up nor down.
