

# Resource Sheet 2: Letter home

Write a letter home as if you were Carrie after the first three weeks of being evacuated. Think about what details she might choose to tell her parents about. Remember to include some details about Nick as well. Mention your feelings as well as what has happened. Consider if Carrie would include everything that has happened or whether she might leave some things out.

*Dearest Mother*

*Evans' Gracera Shop  
25th September, 1939*

1. Start by asking how she is and telling her how you and Nick are.

2. Describe where you have been evacuated to and who you are living with.

3. Tell her about some of the things that have happened (eg the journey, the shop, etc).

4. Finish by asking her to reply and sending your love.
