

## Golden slumbers

Golden slumbers kiss your eyes  
Smiles awake you when you rise  
Sleep pretty baby don't you cry  
And I will sing a lullaby  
Rock you, rock you, lullaby

Time for bed and time to sleep  
Dream little one in slumbers deep  
Sleep pretty baby don't you cry  
And I will sing a lullaby  
Rock you, rock you, lullaby
