- First Witch** Where the place?
- Second Witch** Upon the heath.
- Third Witch** There to meet with Macbeth.

Sonic battle

Verse 1: King's men

Ours not to reason why
Ours just to do or die
Good fighting men are we
We serve his majesty
And with the pipe and drum
The rebel army comes
They will not pass
They will not pass

Rap – King's men

You know we fight the armies all across the land
With the shield of hope and a sword in hand

Verse 2: Rebels

With sword and shield in hand
We march across the land
We hear the trumpets sound
We come to take the crown
Our cause is just and right
Prepare to stand and fight
You will not pass
You will not pass

Rap – King's men

Now let the battle begin
Now let the battle begin

Instrumental

Verse 3: King's men

Ours not to reason why
Ours just to do or die
Good fighting men are we
We serve his majesty

Rebels

Our cause is just and right
Prepare to stand and fight
You will not pass
You will not pass

Rap – King's men

You know we fight the armies all across the land
With the shield of hope and a sword in hand

All

Now let the battle begin
Now let the battle begin

Destiny

Never been a day so fair
Never been a day so foul
Never been a day so fair
Never been a day so foul

Verse 1

A shadow falls, the night is cold
A strange event has been foretold
The prophecy may hold the key
That could unlock our destiny
And the song we sing
God save the King
Never been a day so fair
Never been a day so foul

Verse 2

To hide my fear, let darkness fall
Don't let my thoughts, be read by all
My deep desire I can't deny
An endless voice that seems to cry
And the song we sing
God save the King
Never been a day so fair
Never been a day so foul

Middle eight

And the night is fright'ning
The sky above is filled with lightning
But the road ahead is so enticing
It rules my world

Never been a day so fair
Never been a day so foul
And the song we sing
God save the King
Never been a day so fair
Never been a day so foul
And the song we sing
God save the King

When will I ever be crowned?
When will I ever be King?
When will I ever be crowned?
When will I ever be King?

Temptation

Verse 1: Lady Macbeth

Now it's time to finish what we started
We can make him one of the departed
His Majesty must never see the morning
Do you dare to do what must be done?

Verse 2: Macbeth

Are we moving in the right direction?
He's supposed to be in my protection
Yet I could be the leader of the nation
Do I dare to do what must be done?

Verse 3: All – SCAT

Do you dare to do what must be done?

Verse 4

Lady Macbeth

Let me lead you into sweet temptation

Macbeth

The road to hell is paved with good intention

Lady Macbeth

The time is right, your destiny awaits you
Do you dare to do what must be done?
Do you dare to do what must be done?

Be a tiger, not a dove
Send him straight to heaven above
Do you dare to do what must be done?

The murder of King Duncan

ACT I SCENE 5

Lady Macbeth Come, you spirits
That tend on mortal thoughts, unsex me here,
And fill me from the crown to the toe top-full
Of direst cruelty. Make thick my blood,
Stop up th'access and passage to remorse...

...Come, thick night,
And pall thee in the dunnest smoke of hell,
That my keen knife see not the wound it makes,
Nor heaven peep through the blanket of the dark,
To cry 'Hold, hold!'

ACT I SCENE 7

Macbeth He's here in double trust:
First, as I am his kinsman and his subject,
Strong both against the deed; then, as his host,
Who should against his murderer shut the door,
Not bear the knife myself.

ACT 2 SCENE 2

Macbeth Whence is that knocking? -
How is't with me, when every noise appals me?
What hands are here! Ha, they pluck out mine eyes.
Will all great Neptune's ocean wash this blood
Clean from my hand? No, this my hand will rather
The multitudinous seas incarnadine,
Making the green one red.

Assassins

Verse 1

A one, two, three, four
We are the blokes you ordered, connoisseurs
of snick and snack
We offer you a service, a mix of click and clack
If it's dirty work you're after, we're the answer to your prayer
But if anybody wants to know – we was never there!
A one, two, three, four

Chorus

Who says crime don't pay? (Singing...)
Too-rai-oo-rai-ay (Go on, my son)

Verse 2

A man can meet his maker in a thousand
different ways
If you want to sort him out – would only take
a couple of days
A significant donation we think that's only fair
And if anybody wants to know – we was never there!
(We're practically giving it away!)

Chorus

Who says crime don't pay? (Singing...)
Too-rai-oo-rai-ay

Verse 3

We like to do the business with a certain va va voom
We have a reputation when it comes to keeping stumm
There's method in our madness, a certain savoir-faire
And if anybody wants to know – we was never there!
A one, two, three, four

Chorus

Who says crime don't pay? (Leave it out!)
Too-rai-oo-rai-ay (Swing it, brothers)
Who says crime don't pay? (One more time)
Too-rai-oo-rai-ay

The witches' brew

Verse 1

A vision of the future can be read in the stars
A powerful potion is much better by far
And all will come true in the witches' brew

Verse 2

Then you stir it to the left side
(A little bit of this and then a little bit of that)
And take a walk into the dark side
(You stir it to the left and then you stir it to the right)
And all will come true in the witches' brew

Rap

Fillet of a fenny snake, boil and bake
Tip toe of a frog and tongue of a dog
Blind worm's sting, howlet's wing
Lizard's blood, mmm that's good
Double and double, toil and trouble
Fire burn and the cauldron bubble
Double and double, toil and trouble
Fire burn and the cauldron bubble

Middle eight

Fly high in the sky
Out in the blue
All your dreams will come true

Verse 3

We're brewing up a potion we can never repeat
A little bit bitter and a little bit sweet
And all will come true in the witches' brew

Verse 4

Then you stir it to the left side
(A little bit of this and then a little bit of that)
And take a walk into the dark side
(You stir it to the left and then you stir it to the right)
And all will come true in the witches' brew
And all will come true in the witches' brew
