

# Rock the ship

## Verse 1

### **Bosun and sailors:**

Looks like we're goin' down!  
Wish I was on solid ground in Africa.  
The ship won't take the strain –  
will I see the shore again in Africa?  
The rig is burning,  
the flash of lightning is in the air. (Burn, burn, burn)  
Timbers breaking,  
I see the water rising everywhere. (Down, down, down)  
And we're riding out the storm.  
We've never been so far from home.  
And the wind and rain driven by the hurricane –

### **Ariel and sprites:**

Gonna rock the ship, rock the ship tonight.

## Verse 2

### **Bosun and sailors:**

The point of no return,  
now the ship is gonna burn in Africa. (Burn, burn, burn)

### **Ariel and sprites:**

You're going down below,  
dancing to Diabolo in Africa. (Down, down, down)

### **Bosun and sailors:**

The rig is burning,  
the flash of lightning is in the air. (Burn, burn, burn)  
Timbers breaking,  
I see the water rising everywhere. (Down, down, down)  
And we're riding out the storm.  
We've never been so far from home.  
And the wind and rain driven by the hurricane –

### **Ariel and sprites:**

Gonna rock the ship, rock the ship tonight.
