

Set me free

Verse 1

Ariel:

In the shade of the lemon tree
the bluebird spreads his wings.
Flying high right over me
his journey just begins.
For a moment I am he –
I can just pretend.
Oh I wish that I could be
the lightning and the wind.
And the monkeys go...

Chorus

Oooo oooo set me free (all is confusion)
Oooo oooo set me free (it's an illusion)
Oooo oooo set me free (nothing's what it seems)

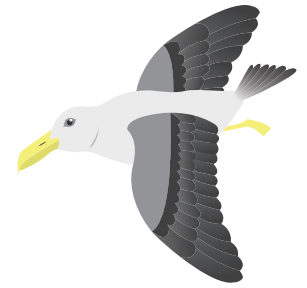

Rap 1

The monkeys and the parakeets are all in collusion.
The bird of paradise is just an illusion.

Verse 2

Ariel:

I hear the song of the mocking bird
floating on the breeze.
And the monkeys fool around
high up in the trees.
And I hear the seagulls call
far across the sea.
Like a river running wild
is how I long to be.
And the monkeys go...

Repeat chorus

Rap 2

Whichever way you look at it nothing's what it seems.
I'm just a prisoner on the island of dreams.

Repeat chorus
