

# Full fathom five

## Verse 1

Full fathom five, thy father lies in the ocean.  
Full fathom five, his body disappears from view.  
Those are the pearls that were his eyes  
an unexpected shade of blue.  
Full fathom five, thy father lies in the ocean.  
Full fathom five, his body disappears from view. (oo ooo)  
And of his bones are corals made  
like stardust in a masquerade.

## Verse 2

And now all that remains  
has been gradually claimed  
by a sea change of many hues.  
And we're all far from shore lost once more in the blue. (oo oo oo)  
Yes we're all far from shore lost once more in the blue. (oo oo oo)  
In the blue.  
In the blue.
