

Toledo steel

Chorus

Toledo, Toledo. The loving embrace of the steel.
Toledo, Toledo. You cannot deny its appeal.

Rap

Let me tell you how I'm gonna set you free
I'm talkin' about an opportunity.
This ain't no question of morality
it's simply a matter of legality.
So why be a victim all of your life?
Just pull out the steel and
slip in the knife.
The rights and the wrongs are inconsequential.
The name of the game – fulfil your potential.
Do the deed and you can make him feel
the sweet caress of Spanish steel.
I'll make it easy for you if you don't understand –
it's a one way ticket to the Promised Land.

Chorus

Toledo, Toledo. The loving embrace of the steel.
Toledo, Toledo. You cannot deny its appeal.
