

Oh, dear! The streams are all dry!

1 Oh, dear! The streams are all dry!
Oh, dear! What can we do?
The streams are dry
And the plants have all wilted
Oh, dear! What can we do?

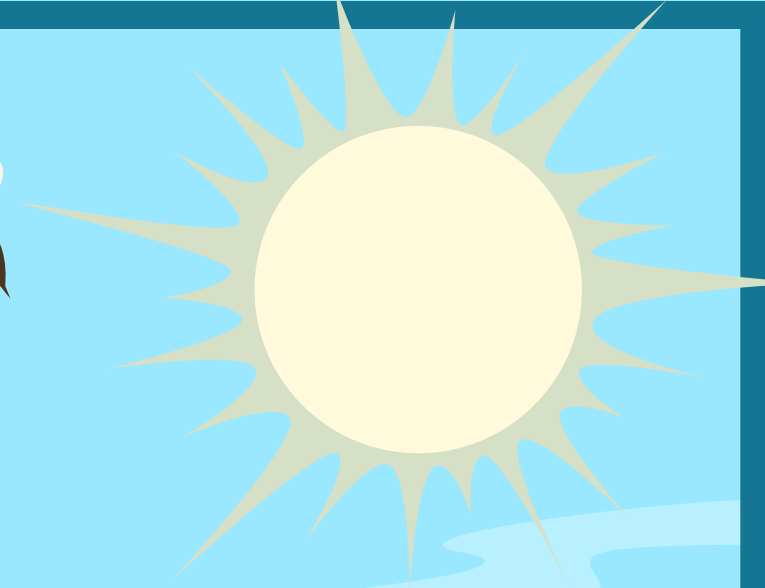

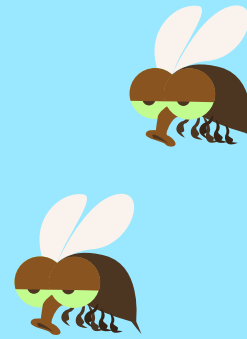

2 Oh, dear! The rivers are dry!
Oh, dear! What can we do?
The rivers are dry
And the fish are all dying
Oh, dear! What can we do?

3 Oh, dear! The billabong's dry!
Oh, dear! What can we do?
The billabong's dry
And the animals gone
Oh, dear! What can we do?
