

# Heroes of Troy Song 7: Heroes (finale)

---

I. In those far off days of old,  
The bravest in the land.  
Tales of daring deeds are told,  
Let me take you by the hand.

*Bridge:*

It's all about destiny  
And the rest is history.  
Remember those glory days.  
Heroes of Troy!

*Chorus:*

We are the heroes of the ancient world,  
The super heroes of the ancient world.

You might think you're man enough  
But you don't wanna mess with us.  
Who do you think you are?  
Heroes of Troy!

# Heroes of Troy Song 7: Heroes (finale)

---

2. In those ancient days of war,  
No peace across the land.  
And it's still worth fighting for,  
Let me take you by the hand.

It's all about destiny  
And the rest is history.  
Remember those glory days.  
Heroes of Troy!

*Chorus:*

We are the heroes of the ancient world,  
The super heroes of the ancient world.

You might think you're man enough  
But you don't wanna mess with us.  
Who do you think you are?  
Heroes of Troy!
