

Sleep, little one, sleep

Sleep, sleep, little one, sleep,
There outside are all the sheep;
Lambs are penned up, safe from harm.
Sleep my little one, cosy warm.
Sleep, sleep, little one, sleep.
Sleep, sleep, little one, sleep.

Sleep, sleep, little one, sleep,
See the sky is filled with sheep;
Like a flock of clouds drift by,
Led by a moonlit lullaby.
Sleep, sleep, little one, sleep.
Sleep, sleep, little one, sleep.
