Blending sounds

You can change words by changing just one letter at a time.

Let's look at the word 'man' for example. You can change the middle letter to make it 'men'.

m<u>a</u>n

m<u>e</u>n

If you change just the first letter you can make these words.

<u>f</u>an

<u>c</u>an

<u>p</u>an

If you change just the last letter you can make these words.

ma<u>p</u>
