

Strategies for reading

Note the following strategies for reading:

- **Skimming** is fast reading to get the gist of what you read.
- **Scanning** is fast reading to find a particular piece of information in a text.
- **Detailed reading** is slower and more careful reading so that you don't miss anything.

Which strategy would you use for each of the following type of reading?

	Type of reading	Strategy/strategies
1	A dictionary 
2	A newspaper 
3	A novel 
4	A webpage 
5	The telephone directory 
6	Instructions TIPS ON STAYING WARM AND SAFE If you take medicine for a health condition, make sure you have enough of it and keep it to hand. Wrap up warm. Keep active. Keep your bedroom at 18C. Keep your living room at 21C.
