

Writing your ideas on sticky notes

Consider using **sticky notes** to help plan your writing. Think about a piece of writing you'd like to do. **Why are you writing it? Who is it for?**

Jot down your ideas on sticky notes. Use as many sticky notes as you need to get all your ideas down. **Put one idea on each sticky note.**

Arrange the sticky notes in the **order** you want for your writing:

Now you're ready to draft your writing.
