

Adding plural endings

In most words we just add an 's' to make a plural. (shoe, shoes; cat, cats)

But if a word ends in 'ch', 'x', 'sh', 's' or 'ss', add 'es' rather than just 's' to make a plural.

Fill in the plural spelling of the word next to the pictures.

one sweet, three _____

one dress, two _____

one bush, lots of _____

one box, a pile of _____

one kettle, two _____

one match, a box of _____

one kiss, many _____

one glass, two _____

one bus, several _____

one sandwich, a pile of _____
