

## Syllables

1. Cut out the words below.
2. Then cut each word into syllables. (There is more than one syllable in each word.)
3. Try saying each syllable aloud so you know what it is.
4. Mix up the syllables.
5. Put the words back together.
6. Try and make some new words from the syllables if possible.

### Example

carefully → care ful ly

accident

Saturday

forehead

sincerely

dangerous

engineering

supermarket

weekend

internet

beware

urgent

garden

credit

Here are some other words you could make from the syllables (there are more!):

danger  
engineer  
week  
sincere  
sin

end  
day  
gently  
den

dent  
be  
it  
head  
gin

net  
gardening  
weekly  
urgently  
sat

Consider making a set of cards with your own choice of words and swap them with someone else.
