

A good idea

Write a **suitable noun** in each space to make **your own story**. You may need to add some other words as well. Compare your version with a partner. You've been given some choices for the first gap.

I was just settling down in front of the _____ (computer/window/fire) when Tom suggested a _____ in the _____.

"Good idea!" I thought.

I looked in the _____ and found _____ and _____. There was also a _____. Good start, but there was no _____!

"We can get some _____ from the _____ on the way to the _____," said Tom.

We were out of the _____ in five _____ - much better than _____.
