

Making nouns

Nouns are often **made from other words**.

Fill in the gaps in this advert, making nouns from the words in the brackets. Sometimes the noun will be shorter and sometimes longer than the word in the bracket.

Summer is on its Way!

Do you want to improve your _____ (appear) for the warmer weather?

Do you feel that your hair has lost its _____ (glossy)?

Is your skin suffering from _____ (dry)?

If 'yes', then try our hair and skin _____ (produce) to restore your youthful _____ (beautiful) and provide _____ (protect) from the sun's rays.

Hurry - we're offering 15% _____ (reduce) across the whole range until the end of April.

For _____ (inform) about stockists, please see our website or order online.

What changes did you have to make to these words? Do you see any patterns? Can you think of other nouns with the same endings?
