Steffi fights back

The former tenni s champion Steffi Graf does n t want to retire.

She want s to return to the top of the women s game this season.

She s been working out in Florida with other tennis star s.

There s talk that the other member s of the tenni s circuit think she is too old.

She d lost more than a stone when we interview e d her recently.

Steffi, wh o d retired in 1999, is married to Andre Agassi.

She has said that she does n t want to be beaten when she next play s.

Her fan s support has always meant a lot to Steffi and she believe s that they drive her to win.

But my belief is that it is Steffi s own drive that ha s got her back in to the top ten.

Her younger rival s ca n t ignore this former number one much longer.
