

Recognising double negatives

Each of these sentences contains a double negative. Re-write each sentence so that it makes sense and only contains one negative. There are two possible correct answers to each sentence.

Example
Incorrect = **negative** **negative**
She **can't** make friends with **nobody**.

Correct = negative positive
She **can't** make friends with **anybody**.

or = positive negative
She **can** make friends with **nobody**.
