

Giving out drugs in a care home: listening for information

Listen to the instructions in the audio clip **Giving out drugs in a care home**.

Complete the leaflet by filling in the gaps.

Giving out drugs

1. Are unqualified staff allowed to give out drugs?

2. Where are drugs kept?

3. How many times a day do staff do a drugs round?

4. What must be recorded when staff give out drugs?

5. Where is the patient's drug chart kept?

6. What happens if someone makes a mistake?
