

# Doctor Who – Story development

As you read or listen to the first chapter of *Magic of the Angels* by Jacqueline Rayner, stop and think about how the story is starting to develop.

Write down your thoughts as you go.

## Before you read

- What do you already know about the series?
- What do you already know about the characters?
- Look at the cover. What do you think the story will be about?

## At the end of the first chapter

- What do you know about the time, place, and main characters?
- What new characters do you expect to meet?
- What might be a danger to the Doctor?
- Do you want to read the whole book?  
If yes – what makes you want to read the book?  
If no – what stops you?
