

Tyre pressure charts

As a garage mechanic, you will fit and pump tyres. This means you will need to know the model of the car.

This is a typical chart of tyres and tyre pressures.

Model	Year	Tyre Size	Pressure Front	Pressure Rear
Ford Fiesta	08 – 12	175/65R14	30	26

The Ford Fiesta needs **175/65R14** tyres. The front tyres should have a pressure of **30**. The rear tyre pressure should be **26**.

These Ford cars all have different tyres and different tyre pressures.

Model	Year	Tyre Size	Pressure Front	Pressure Rear
Ford Fiesta	08 – 12	175/65R14	30	26
Ford Ka	96 – 09	195/45R16	29	26
Ford Focus	05 – 11	205/55R16	30	33
