I'm Ashley Harvey, the bus driver. We were travelling towards Cosham from Portsmouth when I became aware of a disturbance. I stopped and discovered a young man had fallen on the upper deck and injured his wrist.

I'm Enid Wilson. I was a passenger on the 44A. It was just after one. I was on my way back from visiting my friend. The young man got up to ring the bell. I think he lost his footing.

I'm Luke Jensen. I don't know what happened really. I got up to ring the bell at ten past one - I wanted to get off at the Hilsea stop. Next thing I knew I was on the floor.
