Skillswise

Identifying number patterns

Have a go at these questions:

a.		X X				X X					X X				
b.	x	X X X	x	x	x	X X X X X X	x	x	x	x	x	X	x	x	x
C.		X X	X		Χ	X X X	Χ	x		Χ	X X X	X		X	

2. Write down the number of crosses in each pattern above and work out the rule for the sequence.

- 3. The sixth square number is twelve. True or False?
- 4. 8² = 64. True or False?

Now check your answers with the answer sheet.
