

## Rounding

Use **rounding** to work out the answers.

$70 + 19 = \underline{\hspace{2cm}}$

$84 + 12 = \underline{\hspace{2cm}}$

$23 + 11 = \underline{\hspace{2cm}}$

$58 + 16 = \underline{\hspace{2cm}}$

$68 + 17 = \underline{\hspace{2cm}}$

You can try the same calculations using the following methods. Which do you prefer?

- **doubling**
- **splitting up numbers**

Now check your answers with those on the answer sheet.
