

## Splitting up numbers

Use the **splitting up** numbers method to **subtract** these amounts:

1.  $80 - 69 =$  \_\_\_\_\_

2.  $90 - 33 =$  \_\_\_\_\_

3.  $50 - 28 =$  \_\_\_\_\_

4.  $70 - 35 =$  \_\_\_\_\_

5.  $40 - 34 =$  \_\_\_\_\_

Have a go at the same sums using the following methods.

- doubling (for addition)
- rounding

Which method do you prefer?

Now check your answers with the answer sheet.
