

## Rounding

Use **rounding** to work out the answers to the following subtraction sums:

1.  $54 - 17 =$  \_\_\_\_\_

2.  $35 - 18 =$  \_\_\_\_\_

3.  $42 - 13 =$  \_\_\_\_\_

4.  $64 - 15 =$  \_\_\_\_\_

5.  $25 - 19 =$  \_\_\_\_\_

You can try the same sums using the following methods. Which do you prefer?

- **doubling** (for addition)
- **splitting up numbers**

Now check your answers with those on the answer sheet.
