

Division: standard method

Work out the answer to the division questions using the standard method of division.

The first one has been done for you.

1)			1		2	.		5
		6		7	¹	5	.	³ 0

2)								
		6		6		3		

Correct answer: $75 \div 6 = 12.5$

3)								
		4		5		2		

4)								
		4		2		7		

5)								
		3		9		6		

6)								
		5		8		5		

7)								
		8		9		6		

8)								
		7		9		8		

9)								
		2		7		3		

10)								
		9		5		4		

11)								
		1		4		3		

12)								
		8		2		1		2
