

Percentages of a pound

Per cent means the same as 'out of a hundred'. A pound is made up of one hundred pence. This means that one pence is one per cent of a pound. Per cent is shown by the symbol %.

£1 = 100p = 100% of £1

1p = 1% of £1

Here are some more coins that are percentages of a pound.

5p = 5% of £1

10p = 10% of £1

20p = 20% of £1

50p = 50% of £1
