

Abbreviating units of measurement

Rearrange the abbreviations and the units of measurement in both the metric and imperial systems of measurement so that they match correctly. Find the **smallest unit of liquid measure** and the **largest unit of length** from the table.

Metric measure		Imperial measure	
Abbreviation	Unit of measure	Abbreviation	Unit of measure
mm	kilogram	in	mile
cm	centilitre	ft	pint
m	litre	yd	fluid ounce
km	millimetre	ml	inch
mg	gram	oz	ounce
g	milligram	lb	gallon
kg	centimetre	T	pound
ml	millilitre	fl oz	yard
cl	kilometre	pt	foot
l	metre	gal	ton
