

Planning journeys: important words and phrases

You may come across these words and phrases when you are using timetables and planning journeys.

- **Arrival time** - the time that a bus/train etc will arrive at a place.
- **Cancelled** - this means that your transport will not be running and you will have to travel at a different time.
- **Day pass** - a ticket that allows you to travel on more than one bus/train/coach in a certain area for the whole day. It usually works out much cheaper.
- **Delayed** - this means that your transport will be late.
- **Departure point** or **pick up point** - where your transport will pick you up from.
- **Departure time** - the time when a bus/train etc will leave (depart) from a place.
- **Destination** - the place you are going to.
- **Public transport** - forms of transport used by people instead of driving or cycling, such as buses, coaches and trains.
- **Request stop** - if you want to get off at this stop you will have to ask the driver.
- **Season ticket** - a ticket that allows you to travel on a certain journey as many times as you like for a set price and for a given period of time, such as a month or year.
- **Trolley service available** - this means that someone will bring a trolley round the train to all passengers allowing them to buy food and drink.
