

Reading a simple plan

The diagram below shows a plan of a college Learning Centre. Look at the plan and then answer the questions that follow.

Questions:

1. How many computers are there in the literacy area?

2. How many computers are there in the numeracy area?

3. The office measures 5.5 m in length and is 3.2 m wide. What is the length of the library?

4. What is the width of the library?

Now compare your answers with those on the answer sheet. How did you do?
