

## More proofreading and editing checks - answers

1. The computer spellchecker will find all your mistakes for you. True or false?

Correct answer: **False**

**The computer spellchecker won't find all your mistakes!**

2. Which of these methods can you use to proofread your writing?

Correct answer: **d.**

**You can use all these methods. Getting someone else to read your work isn't cheating, unless you're in an exam!**

3. What do we call words that sound the same but have different spellings and meanings?

Correct answer: **c.**

**Words that sound the same but have different spellings and meanings are called homophones.**

4. Every word in English must contain a vowel sound. True or false?

Correct answer: **True**

**Every word in English must contain a vowel sound. A vowel can be a, e, i, o, u, or y - as in 'by' or 'myth'.**

5. Which of these statements is true?

Correct answer: **a.**

**Proofreading your work helps you to become a better speller.**
