

Words within words - answers

Below (in **bold**) are some words within words. Some will be more helpful for learning spellings than others. Just choose what you find helpful for your own use.

1. Did you find these words or different ones?

character **appointment** **recovery** **calendar**

dangerous **language** **neurotic** **inflation**

2. Did you find all of these? Sometimes the words have more than one word inside and you might have found a different word. Some of these words are root words with endings; others are part of compound words.

My **parents** came from **China** in 1948. They came to **Hong Kong** and met each **other** and built up a family. They were very **difficult** days **because** the **Second World War** had just **finished**.

In 1988, I **came** to **England** with a work **permit**. It was very **lonely** in my first **year** **because** my family was **still** in Hong Kong. In the second **year**, my wife and two daughters came to **England**. I **worked** in the **restaurant** **eleven hours** a day, six days a week, but I was very happy **because** my family was **there** and my job.

After **four years**, I had my own **business**. **Although** it is a small **business**, my family are living in my own **house**, **working** **altogether** and my daughters have degrees. They have good jobs and one is married. They **moved** to **Cambridge**. We **meet** at church **every Sunday**. I am very **lucky** to live in **England**.

3. How many did you find?

cardigan (3)	car	card	dig
