

## Finding adjectives - answers

The adjectives in this email are in **bold**.

Hi Mum,

Just been out looking again and I've found a **fantastic** flat. The bedroom is quite **small** but the living room is **lovely**. There are **huge** windows with an **amazing** view over a **beautiful** park. It even has a **little** balcony - I hate being stuck indoors when the weather's **nice**. Unfortunately the kitchen is **tiny** but I'm a **terrible** cook anyway.

Can you come with me to look at it again?

Love

Sally
