

Using pronouns - answers

Here is Lisa's accident report on Mr Wilson.
The nouns have been replaced with pronouns.

Accident Report

I heard a noise in the dining room at lunchtime. I went to the dining room and Mr Wilson was groaning. **He** had fallen off the chair. **He** could not get back on to the chair. My colleague Jean and I helped Mr Wilson back into the chair. **She** looked to see if **he** was hurt. **She** found that **he** had bruised his leg. **She** put a cold compress on the bruise. **It** was not too bad. The other residents carried on eating. **They** all seemed fine.
