

Writing in the past tense - answers

In the passage below Dave is talking about what he did **last week** (in response to the question 'What did you do **last Saturday** Dave?').

The correct verbs have been added to the passage in **bold**. Compare your answers with the verbs given here:

"I **got** up at about 10 o'clock and **went** down to the shop to buy a paper. Then I **made** some tea and toast and **listened** to the sport on Radio 5 live. In the afternoon I **went** to the match with my mates. We **met** in a pub in town at 1 o'clock. We **had** a pint and then **walked** to the ground. Everybody **was** in a good mood and looking forward to the game. After the match I **went** to my girlfriend's for dinner. Later on we **watched** a film.

Now have a go at writing a note about what you did **last weekend** and then ask a friend to check it.
