

Ask before you buy - answers

What information is missing? Which questions should you ask to find out the information you need?

1. Correct answer: **b. How much is it?** There's no point loving it if you can't afford it.
2. Correct answer: **c. What kind of home do they need?** For example, do they need garden?
3. Correct answer: **c. How big is it?** For example, how many bedrooms does it have?
4. Correct answer: **b. How much is it?** It sounds like a lovely house but what's the price?
5. Correct answer: **c. What kind of home does it need?** The advert doesn't say.
6. Correct answer: **c. What registration is it?** The advert says it's old but not how old.
