Using odd and even numbers

Here's how you'd split up the food onto the two trays.

Food	Number on tray	Odd or even number of food items?	Number when split onto 2 plates	
Cheese sandwiches	24	Even	12	12
Cocktail sausages	69	Odd	35	34
Sausage rolls	43	Odd	22	21
Strawberry shortcakes	28	Even	14	14
Vegetable samosas	46	Even	23	23
Ham sandwiches	25	Odd	12	13
Mini pizzas	30	Even	15	15
