

Multiplying by 10 - answers

To multiply by 10 move all the digits along **one** place.

H	T	U	.	$\frac{1}{10}$	$\frac{1}{100}$
	6	0	.	0	1
6	0	0	.	1	

H = hundreds

T = tens

U = units

The answer are given below:

- $8 \times 10 = \underline{80}$
- $31 \times 10 = \underline{310}$
- $82 \times 10 = \underline{820}$
- $415 \times 10 = \underline{4.150}$
- $700 \times 10 = \underline{7.000}$
- $3,400 \times 10 = \underline{34.000}$
- $80.9 \times 10 = \underline{809}$
- $127.3 \times 10 = \underline{1.273}$
- $60.01 \times 10 = \underline{600.1}$
- $328.03 \times 10 = \underline{3.280.3}$
