

TRUSTWORTHY NEWS

Look at each of the five pre-prepared examples in the Evidence Toolkit. For each line of reasoning, select the type of reasoning you think is being used from the Reasoning Palette. Click to see if you were right.

Each type of reasoning in the Reasoning Palette has an example from BBC Radio 4's Moral Maze. Listen to each example in pairs. In what ways is the reasoning in the Moral Maze the same as the news articles you've analysed? In what ways is it different?

Look at each of the five pre-prepared examples in the Evidence Toolkit (<https://www.bbc.co.uk/taster/pilots/evidence-toolkit-moralmaze>). Click through some of the links available on the Trust Toolbar. How does the material on the Trust Toolbar affect your impression of the news article?
